PRESSURE GATE - MODEL PG22

FOR OPENINGS 29.5" to 32.5" (75cm - 82cm). Extensions available for wider openings. Sold separately.

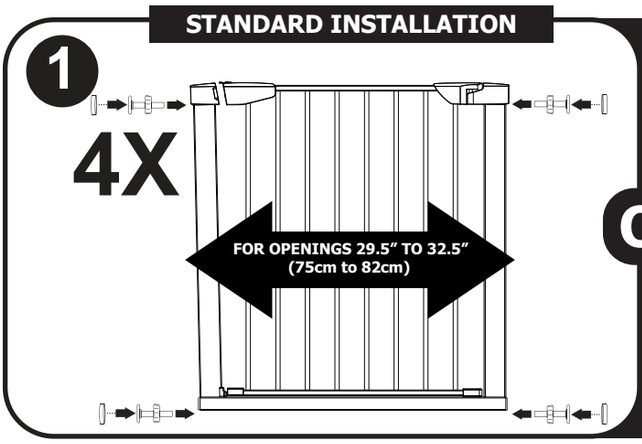

ASSEMBLY INSTRUCTIONS

AUG.2022

THIS GATE IS NOT RECOMMENDED FOR TOP OF STAIRWAY USE. YOU MUST INSTALL WALL CUPS TO KEEP GATE IN PLACE. WITHOUT WALL CUPS, CHILD CAN PUSH OUT AND ESCAPE.

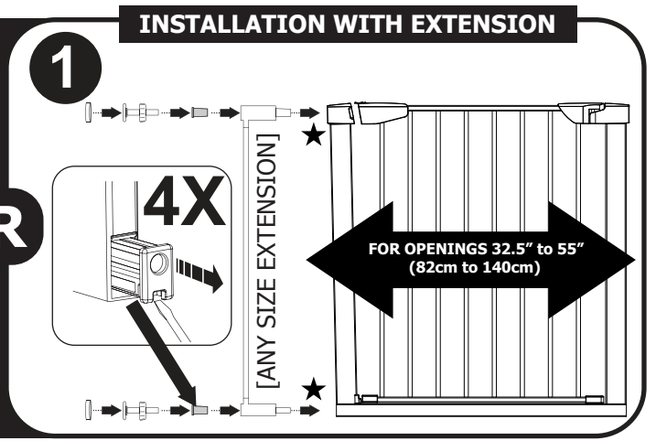

STANDARD INSTALLATION

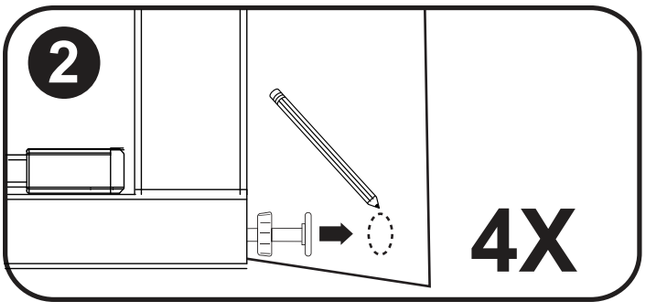

1. Insert part **(E)** as shown on all four corners of the gate. (Make sure rubber pads face wall.)

OR

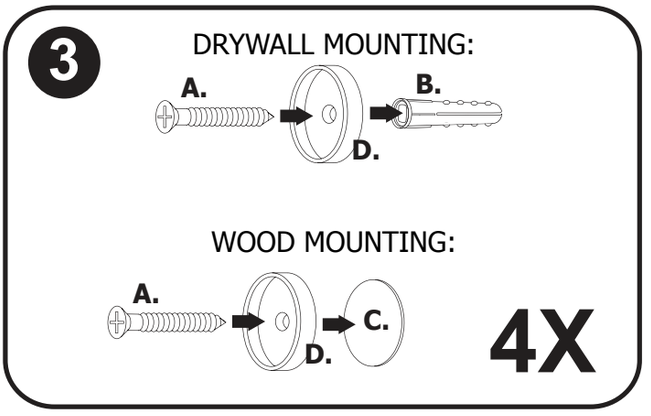

INSTALLATION WITH EXTENSION

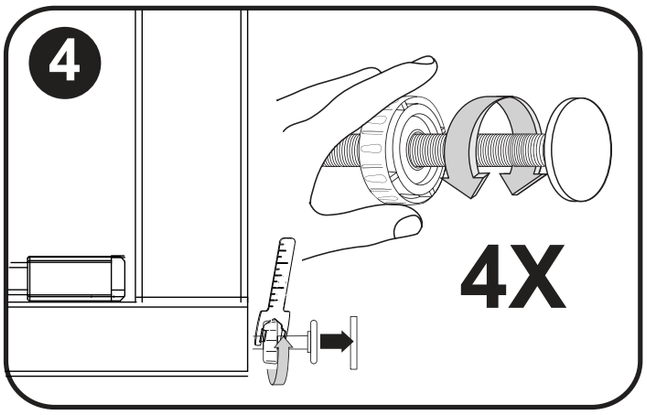

1. Remove standard inserts on all four corners. Put extension inserts into gate tubing and then put standard inserts into extension, then part **(E)**.
Extensions sizes may have different inserts at gate connection but both have the same function. THIS STEP★.

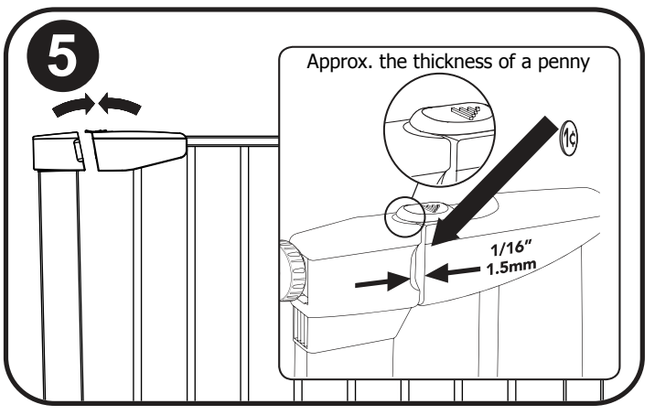

2. With gate sitting on floor, twist and extend the stabilizer tabs. Using a pencil, mark around all four (4) circle of stabilizer tabs on both walls.

3. Remove gate to install wall cups. IF INSTALLING INTO DRYWALL, use anchors, mark center circle of **(D)** on wall and insert anchor **(B)** in drywall. IF INSTALLING INTO WOOD use sticky pad **(C)** to hold disc on on mark. Mount wall cups onto wall using screw **(A)**.

4. Reinstall gate into mounted wall cups. Firmly secure gate in opening by tightening wheels on all four pressure points. Use tightening wrench **(F)** if necessary.

5. For smooth operation, make sure gate is level and latch gap is 1/16" (about the thickness of a penny). NOTE: Too loose or tight will cause latch to not function properly.

GATE IS RECOMMENDED FOR CHILDREN BETWEEN 6 AND 24 MONTHS.

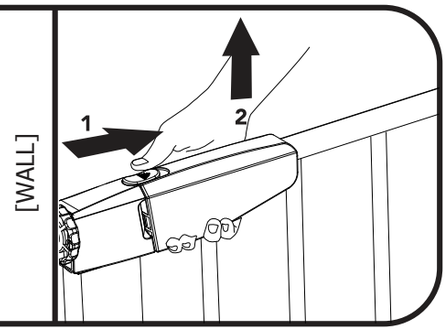

⚠WARNING

Children have died or been seriously injured when gates are not securely installed.
▪ ALWAYS install and use gates as directed using all required parts. ▪ NEVER use to keep child away from pool.
▪ STOP using when a child can climb over or dislodge the gate. ▪ Use only with the latching mechanism securely engaged.

GATE OPERATION

TO OPEN
Slide button back with thumb and lift gate to open.

TO CLOSE
simply push door shut.

GATE MAINTENANCE

To clean, rinse with lukewarm water, wash gently with mild soap or detergent and lukewarm water, using a soft cloth or sponge. Rinse again. Dry with a soft cloth or sponge to prevent water spotting. DO NOT SCRUB or use brushes or squeegees.

GATE CARE & REMINDERS

Our gates are built to last many years with proper use and care. Here are a few suggestions...

- Close gates gently - do not slam - to prevent damage to latch mechanism.
- When closing, be sure latch on gate frame engages as depicted in instructions.
- For safety, always close gate when not in use. Children should not be allowed to swing on an open gate. Discontinue use of gate if it becomes damaged, broken or disassembled.
- Periodically check all screws, bolts, etc. for security and proper adjustment.

CARDINAL GATES, INC., offers many accessories such as extensions, stair kits, and other safety products. Check with your dealer or call CARDINAL GATES, INC. at 1-800-318-3380.
